Beer

Beer has a special place at Møllebakken. Johannes enjoyed good beer, and Alhed brewed her own for household use. In collaboration with Refsvindinge, Johannes' grandson Peter Larsen developed the "Svalebajer." In addition to this, we carry Herslev Brewery in our selection. They – like us – are in harmony with nature, brewing according to green and sustainable traditions.

Wine

East Jutland Wine Supply focuses heavily on organic wine. They are working to make wine production greener and more sustainable, with the goal of minimizing CO2 emissions, which is also the concept being followed at Kaffehuset. Furthermore, they are B CORP certified, one of the highest standards to achieve, with a focus on good working conditions, customer service, and climate.

Grapes: Chardonnay, Macabeo 

Region: Spain, Valencia

Organic/vegan cava, made using the champagne method. Dry, refreshing, and lively bubbles, harmonizing with aromas of citrus and peach, along with an elegant acidity and fruit sweetness.
btl. 249,-

House White Wine 

Grapes: Riesling (2023)

Region: Germany, Pfalz

A dry white wine with notes of flowers and citrus fruits, and mild hints of passion fruit in the aroma. Feels lightly sparkling on the tongue and has a pleasant, mineral aftertaste.
